

MediaTrust

New media help for charities and not-for-profit organisations

Media Trust is working in partnership with the ICT Hub to deliver this service.

Free

'New media made cheap and easy' seminars

Media Trust is holding a series of free seminars to give small to medium sized not-for-profit organisations skills and confidence to use new media.

A new media consultant will hold the seminars and focus on the techniques available on the internet such as blogging, podcasting, and wikis, with real examples and practical advice.

For further information about the seminars please call Lucy on 020 7874 7620 or email lucindam@mediatrust.org

New media afternoon surgeries

New media surgeries will follow the morning seminars. Small and medium-sized charities may sign up to an afternoon session of one-to-one help and advice from new media professionals. Places are limited so it is essential to sign up in advance.

In addition to these events, Media Trust runs an online Media Matching service offering pro bono advice and help via our website www.mediatrust.org

For further information about the Media Matching service, phone Helen on 020 7874 7613 or email helenb@mediatrust.org
